COMPANY PROFILE

85^{years}

For over 85 years, Dietzel Univolt has encapsulated quality and competence in the field of cable management systems. In 2005, we expanded our global capacity with the establishment of additional production facilities in Dongguan, China.

**First Austrian PVC Pipe Manufacturer to
Establish Production in China (1988)**

Univolt Dongguan

Today, the Univolt brand is internationally renowned for its vibrant, innovative spirit, a culture of excellence, and a commitment to delivering first-class product quality and service on a global scale.

Facilities

Our state-of-the-art facilities in Dongguan boast a 3000m² production area and a 4500m² storage facility, housing a dedicated team of 45 employees. Annually, we produce over 10 million meters of conduit and 5 million pieces of accessories, ensuring a seamless supply to our global clientele.

"We deliver to over
80 countries on
5 continents"
